Dear Elders, Families and Friends of MSS,

We have been notified that an employee from Trinity Place Independent Living has tested positive for COVID-19. The employee is quarantined at home and is receiving appropriate care. We continue to follow the CDC's criteria for return to work with all employees.

We continue to follow all guidance set forth by state and federal officials for privacy, elder care, employee safety, and efforts to stop the spread of COVID-19.

The Trinity Place elders have been enjoying some small group gatherings. Elders can be screened daily for signs and symptoms of the virus and if cleared, can move about the building freely while wearing a mask and maintaining proper social distance. The elders have greatly enjoyed having more time outside of their own apartments. Recent favorite activities have included bingo, ice cream and exercise classes. Fortunately, this diagnosis will not prevent us from continuing to enjoy these special times together.

Mississippi has been doing much better and the number of COVID-19 cases across the state have been decreasing dramatically. However, this is no time to let our guard down. We want to remind everyone to take every measure possible to slow the spread of this virus. Please continue to practice social distancing, wear a mask, perform good hand sanitation, keep the size of your group gatherings small and whenever possible, avoid being out in the general public. This is a great way to show your support to the elders and our employees.

If you have any questions, please feel free to contact the Trinity office at (662)327-6716.

Bless you and be safe!

Sincerely,

Steve McAlilly
