Hello Friends! This is your Aldersgate COVID-19 Update for May 16, 2022.

One elder from the Apartments at Aldersgate has tested positive for COVID-19 this morning. The elder is self-isolating in his/her apartment.

As always, we continue to follow all guidance set forth by state and federal officials for privacy, elder care, employee safety, and efforts to stop the spread of COVID-19.

We have had quite a respite from COVID-19, but it appears cases are beginning to rise again. Now is the time to take precautions to prevent the spread of the virus. Vaccination remains the most effective way to prevent severe illness, hospitalization, and death from COVID-19. Everyone aged 5 and older should be fully vaccinated, and those 12 and over should receive a booster at the appropriate time.

Aldersgate is currently open to indoor visits, and we look forward to visits from family members and friends. It is important to remember however, if you have been exposed to COVID-19 or are showing signs and symptoms of the virus please refrain from visiting.

As a reminder, the fastest and easiest way to receive updated Aldersgate COVID-19 information is to call 662-844-8977 Ext. 212 for a pre-recorded message or go to mss.org/Aldersgate and click on the COVID-19 Update Button. As always, you can reach out to the Aldersgate Team at (601) 482-5561 for any questions you may have.

Bless you and be safe!
