# Who is helped by MEALS ON WHEELS?

The recipients of *Meals on Wheels* are typically home-bound individuals 60 years and older who have no other dependable daily source for planning, cooking and serving their meals. Often the recipients suffer from debilitating illnesses which prevent them from actively caring for their daily needs.

Because many also have a very low income, there is no charge to them for the meals they receive. Therefore, the *Meals on Wheels* program depends on donations from individuals, businesses, clubs, church groups and the United Way of Northeast Mississippi to continue the program.

Mississippi is listed in the **top 10 states** with the highest rate of hunger risk among seniors.

## Dear Friends,

Imagine if you were at home, alone and hungry, unable to cook for yourself. Consider the relief and security you would feel by having a hot, nutritional meal delivered by a smiling volunteer. Someone who also checks to make sure you are safe.

Five days a week, over a hundred senior adults in the Lee County area experience that pleasure thanks to donors like you who have supported the *Meals on Wheels of Lee County* program.

Every year, the demand for such services and the waiting list of elders in need grows. As little as \$5.00 makes a big difference in the life of a senior in our area for a day. We ask that you consider making *Meals on Wheels of Lee County* a part of your giving this year. We would truly be honored to partner with you in caring for these elders.

Thank you for your consideration. Through your prayers, volunteerism and resources, we can make a difference in the lives of these elders everyday!

*Thank you for supporting these elders!*
