

Dugan offers a variety of services to meet the needs of those we serve. We offer skilled nursing services in a warm Christian environment.

Daily activities are planned by a state certified activities director and offer every elder an opportunity to discover something new and exciting.

The Dugan care partners are knowledgeable about their work and are also motivated to carry out the philosophy of Methodist Senior Services...

To serve older adults in the spirit of Christian love.

Dugan is a very family friendly environment and one that can be described as “feeling like home” and “warm.” Each day our care partners strive to improve the services offered and to truly celebrate with those who have chosen to make their home here.
