Hello Friends! This is your Trinity COVID-19 Update for October 17, 2022

We have been notified of one employee from Trinity Healthcare that has been diagnosed with COVID-19. The employee is quarantined and is receiving appropriate care. We continue to follow the CDC's criteria for return to work for all employees.

We continue to follow all recommendations provided by CMS and the Mississippi State Department of Health. We closely adhere to the routine testing policy for elders and employees as laid out by CMS and the MSDH.

We are open for regular visiting and look forward to visits from family members and friends. Please remember however, if you have been exposed to COVID-19 or are showing signs and symptoms of the virus please refrain from visiting. In accordance with CMS guidance, Trinity Healthcare still asks that all employees and visitors wear a mask around the elders to help prevent the spread of the virus or its variants. We appreciate your adherence to these Federal regulations.

As a reminder, family and staff members can continue to obtain regular COVID-19 updates by calling the hotline at 662-844-8977, Extension 210 or by going to mss.org/Trinity and clicking on the COVID-19 Update Button. We hope this helps keep you well informed. As always, you can reach out to our team at Trinity at 662-327-6716 for any questions you may have.
