

Hello Friends! This is your Turner Duvall COVID-19 Update for January 13, 2021

Over the past 14 days, Turner Duvall has had no new cases of COVID-19 reported among elders or employees! We will discontinue weekly updates at this time. If there is a positive case of COVID-19 identified in the future, you will be notified and weekly reports will resume.

Mississippi is currently seeing very large numbers of infections diagnosed each day and we must remain vigilant in order to prevent further infection at Turner Duvall. We ask that all elders continue to shelter in place as much as possible. Please let our employees, your family and our volunteers help keep you safe by running errands and allowing you to stay protected.

In addition, we want to ask everyone to take every measure possible to slow the spread of the virus. Please continue to practice social distancing, wear a mask, perform good hand sanitation, refrain from group gatherings of any size and whenever possible, avoid being out in the general public. Please do your part to keep the Turner Duvall elders and employees safe.

As always, you can reach out to our office at Turner Duvall for any questions you may have at 601-394-2621.

Bless you and be safe!
