

Hello Friends! This is your Henry Clay COVID-19 Update for January 6, 2021

We have had no new cases of COVID-19 reported over the past week! This marks the 14<sup>th</sup> day without cases so weekly updates will not be reported unless we have another active case.

The Henry Clay will continue to be on quarantine for a short time. We are asking all elders to remain in their apartments to ensure the virus is not spread. All internal group gatherings and activities will be put on hold until we are out of this quarantine period. All common areas such as the parlor are closed at this time. Family visiting has been suspended at this time as well.

Mississippi is currently seeing very large numbers of infections diagnosed each day and we must remain vigilant in order to prevent further infection at The Henry Clay. We ask that all elders continue to shelter in place as much as possible. Please let our employees, your family and our volunteers help keep you safe by running errands and allowing you to stay protected.

In addition, we want to ask everyone to take every measure possible to slow the spread of the virus. Please continue to practice social distancing, wear a mask, perform good hand sanitation, refrain from group gatherings of any size and whenever possible, avoid being out in the general public. Please do your part to keep the Henry Clay elders and employees safe.

As always, you can reach out to our administrative office at Henry Clay for any questions you may have at 662-494-1079.

Bless you and be safe!
