

Hello Friends! This is your Trinity COVID-19 Update for December 17, 2021.

We are excited to announce that The Apartments at Trinity Place, Trinity Assisted Living and Trinity Healthcare are all clear of COVID-19. Craig Hill, Trinity's Executive Director says there is "nothing but the spirit of Christmas in the air" at Trinity now.

We are currently open to indoor visits. Everyone has really enjoyed their Holiday visits and activities. We encourage you to continue visiting, with precautions, throughout the rest of the Holiday Season. It is critical, however, that everyone take all precautions to eliminate the risk of spreading any type of virus to the elders and our team members. The safest protection against COVID-19 is to be fully vaccinated. If you have not taken the vaccine, please consider it at this time. In addition, it is recommended that all wear a mask regardless of their vaccination status.

We continue to follow all recommendations provided by CMS and the Mississippi State Department of Health. Please note that the MSDH defines an outbreak in long-term care facilities as a single positive case among elders or employees. We closely adhere to the routine testing policy for elders and employees as laid out by CMS and the MSDH.

As a reminder, family and staff members can continue to obtain regular COVID-19 updates by calling the hotline at 662-844-8977, Extension 210 or by going to [mss.org/Trinity](http://mss.org/Trinity) and clicking on the COVID-19 Update Button. We hope this helps keep you well informed. As always, you can reach out to our team at Trinity at 662-327-6716 for any questions you may have.

Bless you and be safe!
