Hello Friends! This is your Dugan COVID-19 Update for June 9, 2022

We haven't had any further COVID-19 cases at Dugan in the last three weeks.

As always, we continue to follow all recommendations provided by CMS and the Mississippi State Department of Health.

We are open for visiting and look forward to visits from family members and friends. Please remember however, if you have been exposed to COVID-19 or are showing signs and symptoms of the virus please refrain from visiting. In accordance with CMS guidance, our campus still asks that all employees and visitors wear a mask around the elders to help prevent the spread of the virus or its variants. We appreciate your adherence to these Federal regulations.

Family and staff members can continue to obtain regular COVID-19 updates by calling the hotline at 662-844-8977, Ext. 231 or by going to mss.org/Dugan and clicking on the COVID-19 Update Button. As always, if you have any questions, please contact the Dugan team at 662-494-3640.

Bless you and be safe!
