

Hello Friends! This is your Trinity Campus COVID-19 Update for July 21, 2021.

We have been notified that an employee from Trinity Healthcare has tested positive for COVID-19. The employee is quarantined at home and is receiving appropriate care. We continue to follow the CDC's criteria for return to work with all employees.

All elders have been tested and are negative. We are in the process of testing all employees and so far they are negative as well. At this time, visits, group dining and activities are being postponed until testing early next week is completed.

We continue to follow all guidance set forth by state and federal officials for privacy, elder care, employee safety, and efforts to stop the spread of COVID-19. We closely adhere to the routine testing policy for elders and employees as laid out by CMS and the MSDH.

Mississippi is once again having an increase in cases being reported. The CDC news is encouraging for those who are vaccinated. Many locations locally are offering the vaccine to anyone age 12 and over. If you have not yet received yours, please consider doing so.

For COVID-19 updates, please call 662-844-8977, Extension 210. As always, if you have any questions, please feel free to contact the Trinity office at (662) 327-6716.

Bless you and be safe!
