

Hello Friends! This is your Aldersgate COVID-19 Update for July 15, 2021.

We have been notified that an employee from Aldersgate Assisted Living has been diagnosed with COVID-19. The employee is quarantined and receiving appropriate care. We follow CDC criteria for all employees returning to work. At this time, no one else is exhibiting symptoms and all testing that has been conducted has been negative.

We continue to follow all guidance set forth by state and federal officials for privacy, elder care, employee safety, and efforts to stop the spread of COVID-19.

At this time, Aldersgate will postpone group dining and activities until after all elders and employees are retested next week.

In order to help provide our family and staff members with regular updates, we have created two ways to access campus COVID-19 updates. You can access campus specific updates by going to mss.org/Aldersgate and clicking on the COVID-19 Update Button. In addition, you can call, 662-844-8977 Extension 212, and updates will be recorded there for you to listen to. We hope this helps keep you well informed. As always, you can reach out to our administrative office at Aldersgate with any questions.

Bless you and be safe!
