Hello Friends! This is your Aldersgate COVID-19 Update for August 29, 2022.

One elder from Apartment Living has tested positive for COVID-19. The elder is quarantined to his/her apartment and is contacting his/her primary health care provider for instructions on medical care.

As always, we continue to follow all guidance set forth by state and federal officials for privacy, elder care, employee safety, and efforts to stop the spread of COVID-19.

Aldersgate is currently open to indoor visits, and we look forward to visits from family members and friends. It is important to remember however, if you have been exposed to COVID-19 or are showing signs and symptoms of the virus please refrain from visiting. Now, more than ever, it is critical that we all utilize routine safety precautions to prevent the spread of the virus.

As a reminder, the fastest and easiest way to receive updated Aldersgate COVID-19 information is to call 662-844-8977 Ext. 212 for a pre-recorded message or go to mss.org/Aldersgate and click on the COVID-19 Update Button. As always, you can reach out to the Aldersgate Team at (601) 482-5561 for any questions you may have.

Bless you and be safe!

Robyn Stephens
