

Hello Friends! This is your COVID-19 Update for January 4, 2022

We have been notified that an employee from Aldersgate Assisted Living has been diagnosed with COVID-19. The employee is quarantined and is receiving appropriate care.

We have notified public health officials and are following all recommendations provided by CMS and the Mississippi State Department of Health. Please note that the MSDH defines an outbreak in long-term care facilities as a single positive case among elders or employees. We closely adhere to the routine testing policy for elders and employees as laid out by CMS and the MSDH.

COVID-19 cases and hospitalizations are rising rapidly in our state. Please wear a mask, sanitize your hands and maintain social distance as much as possible. As always, be tested if you feel sick, talk to a doctor about appropriate treatment and remain at home if you test positive. Group gatherings and indoor activities can be major contributors of COVID-19 transmission. Please keep these gatherings few and small.

Vaccination remains the most effective way to prevent severe illness, hospitalization, and death from COVID-19. Everyone aged 5 and older should be fully vaccinated, and those 18 and over should receive a booster at the appropriate time. While we are currently open to indoor visits, it is critical that everyone take every measure possible to protect the elders and our team members.

As a reminder, the fastest and easiest way to receive updated Aldersgate COVID-19 information is to call 662-844-8977 Ext. 212 for a pre-recorded message or go to mss.org/Aldersgate and click on the COVID-19 Update Button. As always, you can reach out to the Aldersgate Team at (601) 482-5561 for any questions you may have.

Bless you and be safe!
