

Hello Friends! This is your Dugan COVID-19 Update for December 8, 2020.

Our whole family, both elders and employees, are so excited to be COVID-19 Free this week. We officially had our outbreak status lifted over the weekend have been enjoying a few freedoms at Dugan. Some of the elders opted to take meals in the dining room with social distancing, others enjoyed being in the hallways talking to other elders and everyone just has a wonderful sense of relief and joy.

We are starting our Christmas celebrations early with the 12 Days of Christmas where everyday the elders will experience a new holiday surprise. We are also preparing Holiday Care Packages for each elder. If you'd like to give toward this project, check out the details on Facebook for how to make a donation.

We continue to follow all recommendations provided by CMS and the Mississippi State Department of Health. We will continue with the required testing to ensure we identify and isolate any potential cases as quickly as possible.

We will be offering both indoor and outdoor visits according to the previously issued guidelines, for as long as we qualify. Please call the office in advance to schedule your visit.

Mississippi's numbers are currently extremely high. It is critical that we all remain vigilant in order to protect the elders and our employees. With that in mind, we want to remind everyone to take every measure possible to slow the spread of this virus. Please continue to practice social distancing, wear a mask, perform good hand sanitation, refrain from group gatherings of any size and whenever possible, avoid being out in the general public. Please do your part to make it a safe and happy holiday season.

As always, if you have any questions, please feel free to contact the Dugan office at (662) 494-3640.

Bless you and be safe!
