

Hello Friends! This is your Martha Coker COVID-19 Update for June 1, 2021.

We are pleased to let you know that over the past 12 weeks we have no new cases of COVID-19 in elders or employees.

We continue following all recommendations provided by CMS and the Mississippi State Department of Health. Please note that the MSDH defines an outbreak in long-term care facilities as a **single** positive case among elders or employees.

We are excited to be welcoming you back for indoor visits. Outdoor patio visits are still preferred. Visits must be scheduled ahead of time as no more than two elders can have visitors in the Green House Home at a time. Regardless of the location of your visit, visitors must complete a screening form, sanitize your hands prior to visiting, wear a face mask that covers your nose and mouth and practice social distancing of six feet.

Please call house to make an appointment:
