

Hello Friends! This is your Martha Coker COVID-19 Update for June 8, 2021.

We have had an employee test positive for COVID-19. Those elders' families living in the Green House where this employee works have been notified. The employee is quarantined at home. We continue follow CDC guidance for return to work.

We continue following all recommendations provided by CMS and the Mississippi State Department of Health. Please note that the MSDH defines an outbreak in long-term care facilities as a **single** positive case among elders or employees.

At this time, indoor visits are postponed campus wide until after testing of all elders and employees. Once we are certain that the virus is contained to one Green House, visits will be able to resume. If you would like to schedule an outdoor visit, please use the numbers below.

Please call house to make an appointment:

Love House	#662-528-4066	Butler House	#662-528-4069
Luse House	#662-528-4067	Hilderbrand House	#662-528-4070
Mariah House	#662-528-4068	Patrick House	#662-528-4071

Vaccinations are now being offered to all Mississippians over the age of 12. The most recent updates from the CDC are very encouraging.
