

Hello Friends! This is your Martha Coker COVID-19 Update for July 16, 2021.

Over the past week, we have had no new positive cases of COVID-19. We will continue testing until the outbreak is closed which will hopefully be Thursday, July 22. Beginning on Monday, July 19, we will resume patio visits. Please call to schedule a time.

We continue following all recommendations provided by CMS and the Mississippi State Department of Health. Please note that the MSDH defines an outbreak in long-term care facilities as a **single** positive case among elders or employees.

Vaccinations are now being offered to all Mississippians over the age of 12. The most recent updates from the CDC are very encouraging for those who have taken the vaccine.

If you have any questions, please feel free to contact the Martha Coker office at (662) 746-4621.

Bless you and be safe!
