

Hello Friends! This is your Seashore Highlands COVID-19 Update for March 15, 2021.

Over the past three weeks, we have had no newly reported cases of COVID-19 among our elders or employees.

We continue following all recommendations provided by CMS and the Mississippi State Department of Health. Please note that MSDH defines an outbreak in long-term care facilities as a single case among elders or employees.

Mississippi cases have been on the decline and the vaccine distribution is underway. Hope is here! We are ready to begin welcoming visitors back into our home. Please call to schedule an appointment. Outdoor visits are still preferred but as we are moving toward normalcy, we are welcoming visits indoors as well. During your visit, you will have to fill out a visitor screening, practice social distancing of six feet, wear a mask that covers your nose and mouth, and perform good hand sanitation.

For COVID-19 updates, please call 662-844-8977, Extension 219. As always, if you have any questions, please feel free to contact the Seashore Highlands office at (228) 831-7000.

Bless you and be safe!
