

Hello Friends! This is your Seashore Highlands COVID-19 Update for June 10, 2021.

We have been notified that an elder from Seashore Highlands has tested positive for COVID-19. The elder is quarantined and receiving appropriate care.

We have notified public health officials and are following all recommendations provided by CMS and the Mississippi State Department of Health. We have also notified and are testing any elders, their family members and the employees who may have been exposed to the situation. Please know that we have followed, and will continue to do so, all guidance set forth by state and federal officials for privacy, elder care, employee safety, and efforts to stop the spread of COVID-19.

In order to help provide our family and staff members with regular updates, we have created two ways to access campus COVID-19 updates. You can access campus specific updates by going to mss.org/Seashore and clicking on the COVID-19 Update Button. In addition, you can call this number, 662-844-8977 Ext. 219, and updates will be recorded there for you to listen to. We hope this helps keep you well informed. As always, you can reach out to our administrative office at Seashore Highlands for any questions you may have; our number is (228) 831-7000.

Bless you and be safe!
