

Hello Friends! This is your Seashore Highlands COVID-19 Update for September 13, 2021.

We are pleased to be three weeks free of COVID-19. We are welcoming visitors at this time but would like to remind you that outdoor visits are safest.

We continue to follow all guidance set forth by state and federal officials for privacy, elder care, employee safety, and efforts to stop the spread of COVID-19. We continue to follow CDC criteria for employees returning to work.

Mississippi is currently seeing large numbers of cases diagnosed each day. The latest CDC news suggests that vaccinations offer a great deal of protection; if you have not vaccinated, please consider it at this time. Harrison County has a positivity rating of 20 % which is among the highest in the state. The most recent recommendations are that all wear mask in areas of heightened transmission. Please be safe and help keep us safe by wearing a mask.

In order to help provide our family and staff members with regular updates, we have created two ways to access campus COVID-19 updates. You can access campus specific updates by going to mss.org/Seashore and clicking on the COVID-19 Update Button. In addition, you can call this number, 662-844-8977 Ext. 219, and updates will be recorded there for you to listen to. We hope this helps keep you well informed. As always, you can reach out to our team at Seashore Highlands for any questions you may have.

Bless you and be safe!
