November 27, 2020

Dear Elders, Families and Friends of MSS,

We have been notified that an employee from Seashore Highlands has been diagnosed with COVID-19. The employee is quarantined at home and is receiving appropriate care. We continue to follow the CDC's criteria for return to work with all employees. We have notified public health officials and are following all recommendations provided by CMS and the Mississippi State Department of Health.

In addition, we are making plans to begin delivering meals to each room again for a brief period to ensure we reduce all possibilities of the virus spreading within our community. Hopefully this will be for a short time only. We will update everyone next week to our status and provide more information on when we will be able to reinstate dining room services again.

Mississippi's numbers are currently extremely high. As families gather to celebrate it is critical that we all remain vigilant in order to protect the elders and our employees. With that in mind, we want to remind everyone to take every measure possible to slow the spread of this virus. Please continue to practice social distancing, wear a mask, perform good hand sanitation, keep the size of your group gatherings small and whenever possible, avoid being out in the general public. Please do your part to make it a safe and happy holiday season.

As a reminder, you can access campus specific updates by going to [mss.org/Seashore](http://mss.org/Seashore) and clicking on the COVID-19 Update button or by calling 662-844-8977 Ext. 219 for posted and recorded messages. As always, you can reach out to our administrative office at Seashore Highlands for any questions you may have.

Sincerely,

Steve McAlilly  
President/CEO

Lawona Broadfoot  
Seashore Highlands  
Interim Executive Director

**For God has not given us a spirit of fear, but one of power, love, and sound judgement. ~ 2 Timothy 1:7**
