

Hello Friends! This is your Traceway COVID-19 Update for April 14, 2022

We have much to celebrate at Traceway. Easter week marks eight weeks free of COVID-19 as well as the celebration of the resurrection of our Savior, Jesus Christ!

As always, we continue to follow all recommendations provided by CMS and the Mississippi State Department of Health.

Traceway is open and looking forward to visits from family members and friends during the upcoming Easter weekend. Please remember however, if you have been exposed to COVID-19 or are showing signs and symptoms of the virus please refrain from visiting. In accordance with CMS guidance, our campus still asks that all employees and visitors wear a mask around the elders to help prevent the spread of the virus or its variants. We appreciate your adherence to these Federal regulations.

As a reminder, family and staff members can continue to obtain regular COVID-19 updates by calling the hotline at 662-844-8977, Extension 224 or by going to [mss.org/Traceway](http://mss.org/Traceway) and clicking on the COVID-19 Update Button. We hope this helps keep you well informed. As always, if you have any questions, please feel free to contact the Traceway team at 662-844-1441.

Bless you and be safe!
