Hello Friends! This is your Trinity COVID-19 Update for January 26, 2022

We have been notified that one elder and two employees from Trinity Healthcare have tested positive for COVID-19. All are quarantined and are receiving appropriate care. We continue to follow the CDC's criteria for return to work for all employees.

We currently have a total of 24 active COVID-19 cases across the Trinity campus including 17 elders and 7 employees.

Healthcare: 12 Elders and 6 Employees

Assisted Living: 2 Elders and 1 Employee

Trinity Place: 3 Elders

We have notified public health officials and are following all recommendations provided by CMS and the Mississippi State Department of Health. Please note that the MSDH defines an outbreak in long-term care facilities as a single positive case among elders or employees. We closely adhere to the routine testing policy for elders and employees as laid out by CMS and the MSDH.

The Omicron variant spreads more easily than the original virus that causes COVID-19. You can help slow the spread of the virus by using these four tools to protect yourself and others. 1. Get vaccinated; 2. Get boosted; 3. Wear a mask in public indoor settings or in large group gatherings; and 4. Consider taking a test before you gather or if you feel ill. Let's take every measure possible to protect the elders and our team members.

While Trinity is currently open to indoor visits, it is important to remember that visiting our campus during an active outbreak places visitors, the elders and our team members at an increased risk of contracting the virus. Please consider this as you make plans to visit with us.

As a reminder, family and staff members can continue to obtain regular COVID-19 updates by calling the hotline at 662-844-8977, Extension 210 or by going to [mss.org/Trinity](http://mss.org/Trinity) and clicking on the COVID-19 Update Button. We hope this helps keep you well informed. As always, you can reach out to our team at Trinity at 662-327-6716 for any questions you may have.

Bless you and be safe!
