

Hello Friends! This is your Trinity COVID-19 Update for October 3, 2022

Currently, all levels of care and housing at Trinity Retirement Community remain free of COVID-19!

We continue to follow all recommendations provided by CMS and the Mississippi State Department of Health. We closely adhere to the routine testing policy for elders and employees as laid out by CMS and the MSDH.

The elders and team members from the Apartments at Trinity Place invite you to come join us For SUMMER NIGHTS this Thursday, August 11th from 5-7 pm. It's a convenient meet and greet with live music, tasty food and a chance to meet our family! This is your chance to stop by after work, see our community and gather information. Our team will be on-hand to answer your questions. Come one out and bring a friend too!

We are open for regular visiting and look forward to visits from family members and friends. Please remember however, if you have been exposed to COVID-19 or are showing signs and symptoms of the virus please refrain from visiting. In accordance with CMS guidance, Trinity Healthcare still asks that all employees and visitors wear a mask around the elders to help prevent the spread of the virus or its variants. We appreciate your adherence to these Federal regulations.

As a reminder, family and staff members can continue to obtain regular COVID-19 updates by calling the hotline at 662-844-8977, Extension 210 or by going to mss.org/Trinity and clicking on the COVID-19 Update Button.
