

Hello Friends! This is your Turner Duvall COVID-19 Update for January 17, 2023

We have been notified of one elder from Turner-Duvall who has been diagnosed with COVID-19. The elder is quarantined and is receiving appropriate care.

As always, we continue to follow all guidance set forth by state and federal officials for privacy, elder care, employee safety, and efforts to stop the spread of COVID-19.

In this new year, it is important to remember that COVID-19 and many other viruses and colds are still active in the community at large. Many people have some protection or immunity against COVID-19 due to vaccination, previous infection, or both. This immunity, combined with the availability of tests and treatments, has greatly reduced the risk of severe illness, hospitalization, and death from COVID-19. We no longer have to shut our doors to protect the elders and our team members. And what a relief that is! Unfortunately, COVID-19 can still cause serious illness and we are beginning to see a rise in cases across Mississippi. Now is the time to remember the simple protocols we learned early on that will help protect yourself and others from catching most viruses.

Here are a few recommendations to help slow the transmission of COVID-19 in our community:

- Always remember to wash your hands thoroughly or use hand sanitizer
- Wear a mask indoors when among large groups
- Socialize outdoors or in properly ventilated indoor settings
- Test for COVID-19 before attending family or public events
- Stay up to date with all COVID-19 vaccinations and boosters
- Seek medical advice quickly if you develop signs or symptoms of COVID-19 or the flu
- Stay away from others if you are exhibiting symptoms or have been exposed to COVID-19

Turner-Duvall will remain open for visiting and we look forward to visits from family members and friends. Please remember however, if you have been exposed to COVID-19 or are showing signs and symptoms of the virus please refrain from visiting.

As a reminder, family and staff members can continue to obtain regular COVID-19 updates by going to [mss.org](http://mss.org) and clicking on the COVID-19 Banner. We hope this helps keep you well informed. As always, if you have any questions, please feel free to contact the Turner-Duvall Team at (601) 394-2621.

Bless you and be safe!
