Hello Friends! This is your Wesley Manor COVID-19 Update for December 29, 2021.

We have been notified that an elder from Wesley Manor has been diagnosed with COVID-19. The elder is quarantined and is receiving appropriate care.

We have notified public health officials and are following all recommendations provided by the CDC and the Mississippi State Department of Health. We continue to follow all guidance set forth by state and federal officials for privacy, elder care, employee safety, and efforts to stop the spread of COVID-19.

As per recent MSDH guidance, COVID-19 cases and hospitalizations are rising rapidly in the state as the Omicron variant spreads. Masks should be worn indoors in public places to reduce the risk of transmission. As always, be tested if you feel sick, talk to a doctor about appropriate treatment and remain at home if you test positive.

Group gatherings and indoor activities can be major contributors of COVID-19 transmission. Please keep these gatherings few and small.

Vaccination remains the most effective way to prevent severe illness, hospitalization and death from COVID-19. Everyone aged 5 and older should be fully vaccinated, and those 18 and over should receive a booster at the appropriate time.

While we are currently open to indoor visits, it is critical that everyone take every measure possible to protect the elders and our team members. Please be mindful of the level of virus spread within your community and utilize all stated safety measure before visiting our campus.

As a reminder, family and staff members can continue to obtain regular COVID-19 updates by calling the hotline at (662)844 - 8977 Ext. 233, going to mss.org/WesleyManor and clicking on the COVID-19 Update Button. We hope this helps keep you well informed. As always, if you have any questions, please feel free to contact the Wesley Manor Team at (601)264-8847.

Bless you and be safe!
