

December 1, 2020

Dear Elders, Families and Friends of MSS,

As you know, Seashore Highlands had an employee who tested positive for COVID-19 last week. Out of an abundance of caution, the Seashore Team has elected to conduct a group testing of all its elders in Assisted Living, The Beach House, The East House and our employees to ensure the safety and welfare of all elders and employees. Seashore Villa elders will not be included in this group testing as they will not have had any exposure to the positive employee.

Testing will be conducted on Wednesday, December 2, 2020. Our in-house team will be conducting the tests and will conveniently go room to room to perform the testing. Employees who are not scheduled to work on Wednesday are required to do a drive-through test from 8 a.m.-10 a.m. or 2 p.m.-3 p.m.

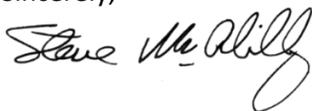

Once results are available, we will share them first with each resident, their loved ones, and our employees, and then we will share a comprehensive overview of our results with the community at large.

As additional safety precautions, our team began delivering meals to each room again for a brief period to ensure we reduce all possibilities of the virus spreading within our community. Hopefully this will be for a short time only. We will update everyone soon about when we will be able to reinstate dining room services.

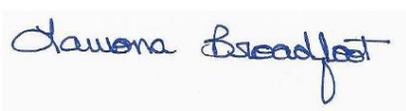

Mississippi's numbers are currently extremely high. It is critical that we all remain vigilant in order to protect the elders and our employees. With that in mind, we want to remind everyone to take every measure possible to slow the spread of this virus. Please continue to practice social distancing, wear a mask, perform good hand sanitation, keep the size of your group gatherings small and whenever possible, avoid being out in the general public. Please do your part to make it a safe and happy holiday season.

As a reminder, you can access campus specific updates by going to mss.org/Seashore and clicking on the COVID-19 Update button or by calling 662-844-8977 Ext. 219 for posted and recorded messages. As always, you can reach out to our administrative office at Seashore Highlands for any questions you may have.

Sincerely,

Steve McAlilly
