A SYMBOL. A STORY.

The Methodist Senior Services logo is a visual testimony of the values we hold and our motivation for service in this important ministry. Respect and concern for the aging is found in the stories throughout the Bible, and we recognize the contribution elders have made to family and community throughout the ages. This is the base upon which Methodist Senior Services has built its ministry. With more than sixty years of service, we have a rich heritage in providing the best care at the most affordable pricing for elders in Mississippi. We are committed to holding the wisdom and experience of God's older children in the highest esteem.

The flower image represents the blossom of the dogwood tree. Growing wild in our state, the forests are filled with their beauty each spring as Easter approaches.

These blooms have long been recognized as nature's reminder of the Crucifixion and Resurrection.

The petals of our dogwood forms hearts, symbolizing God's love for us and the command to love God and one another. We believe this love for God should also manifest itself in service to humanity.

At the center of our logo is both a star and a cross.

The star reminds us of the Star of Bethlehem that announced our Savior's birth. It served as a guide for the wise men in their quest, and we believed that looking to Christ will guide our service to elders.

The star is also a stylized cross that reminds us of the reason we exist. Jesus gave himself in service to others, and we strive to do the same.
